

#inspire possibilities

Australian Medical Council Examination Pathway (AMCEP) Program

The Australian Medical Council Examination Pathway (AMCEP) Program is a course provided by SV Care Medical Academy in collaboration with Manipal University College Malaysia (MUCM) - Centre for Professional Advancement (CFPA). It is specifically designed for all medical doctors working or graduating from an eligible Malaysian university. The primary aim of this comprehensive program is to prepare the doctors for successful completion of the AMC Part 1 and Part 2 qualifying examinations, assist with administrative processes, and support their efforts to secure employment in Australia

Objective

The AMCEP program trains participants to gain the knowledge and skills to clear the AMC exams (Part 1 & 2) and thereby obtain registration with the Australia Medical Council (AMC)

Eligibility

Medical Degree from an eligible university

- Housemen officers
- Medical officers

The candidates will have a one-to-one consultation with a faculty/staff before enrolment and must fill out the standard form to register.
